Dear Madam,

Request for Assistance in Publishing Advertisements for State-Owned Enterprises Divestment

We would like to bring to your attention the ongoing initiative by the Government of Sri Lanka to divest a selected list of State-Owned Enterprises. As part of this initiative, we have commenced soliciting expressions of interest (EOIs) for Hotel Developers Lanka Ltd (Colombo Hilton) and The Lanka Hospitals Corporation (please refer to the attached advertisements). To ensure widespread visibility, the respective requests for EOIs are being disseminated through international print and electronic media channels, in addition to being officially announced on the website of the Ministry of Finance, Economic Stabilization, and National Policies.

We now seek your valuable assistance in disseminating these advertisements to potential investors through Sri Lankan diplomatic missions overseas.

We also request that you bring these advertisements to the attention of the various diplomatic missions based in Sri Lanka.

Your assistance in this matter is much appreciated since it will ensure broad and effective outreach to potential investors. We deeply appreciate your support and look forward to a positive response.

Thank you for your attention to this matter.

Sincerely,

Yours sincerely,

Suresh Shah
